I would like to introduce you to C.J. Hummel's Restaurant, Bar and Gathering Place (Hummel's). This family owned and operated restaurant has been in business since 1948 when C.J. and his wife, Evelyn, first opened their doors. Over the next 56 years, their small dance hall evolved into a snack bar and then the restaurant that is now owned by their grandson, Dan. Hummel's offers a great down-home atmosphere and a wonderful dining experience. We have three different rooms which are perfect for meetings, lunches, workshops and banquets. We also offer our grounds for a wonderful outdoor gathering such as company picnics. Our experienced staff is eager to cater to your special needs, so please allow us to take care of you and your guests during your next special event.

We accept MasterCard, Visa and Discover credit cards.
